`var(--hp-accent)`

#14B8A6

Premium Gold

`var(--hp-gold)`

#F59E0B

Typography

Playfair Display

Primary Serif / Headers

Used for all major headlines to project authority and premium care.

Montserrat

COMPONENT DEMO

Glassmorphism Card

This panel uses a translucent background blur combined with a subtle inner border and a dynamic drop shadow on hover to create depth.

Try Hover & Click
Effects

Secondary Sans-Serif / Body Copy

Highly legible, geometric sans-serif for UI elements, navigation, and reading text.

Micro-Animations & 3D

CSS Floating Animation

Gentle keyframe translation on the Y-axis.

Interactive 3D Button

Utilizing box-shadow and transform to create physical depth without heavy JavaScript.
